

Erigeneia

by Silke Terhorst

Materials

- ca. 200g sport weight yarn (here: Wollium „Sonne“, 750m, 50% cotton, 50% acrylic – 360m/100g)
- crochet hook size 4,5mm

Size

- blocked: wingspan ca. 182cm, depth ca. 75cm
- unblocked: wingspan ca. 170cm, depth ca. 69cm

Size can be increased by repeating Part A and Part B as often as you like. (Working with original yarn I needed approx. 30% of the yarn for the edging. So please take care that you have enough yarn left for it.)

General Information

This pattern uses US Terminology!

Gauge

After first 5 Rows:

- unblocked: wingspan 17,5cm, depth 7cm
- blocked: wingspan 20,5cm, depth 9 cm

If you work with original yarn your shawl should not be bigger than this size! Otherwise your yarn will not suffice to finish the edging. If it is smaller and you like the way the stitches look: No problem at all.

Abbreviations

- ch: chain
- tch: turning chain
- sl st: slip stitch
- dc: double crochet
- tr: treble crochet
- puff st [3] / puff st [2]: puff stitch with 3 or 2 insertions of the hook
- st(s): stitch(es)
- ch sp: chain space
- sk: skip

Special Stitches

- puff stitch: yarn over, insert hook as indicated, get yarn, pull through once. Pull the loop to the height of a dc. For puff st [3] repeat 2 more times. For puff st [2] repeat one time. Get yarn and pull through all loops on hook but one. Get yarn and pull through last two loops. (Also see short photo tutorial and end of document.)
- small shell: 1 dc, 2 ch, 1 dc in same stitch
- big shell: 2 dc, 1 ch, 2 dc in same stitch
- 2-puff-shell: puff st [3], 2 ch, puff st [3] in same stitch
- 3-puff-shell: puff st [3], 2 ch, puff st [3], 2 ch, puff st [3] in same stitch
- dc between 2 dcs: Worked like a normal dc, only that you do not insert the hook in a dc of the last row but in the space between two dcs of the last row. (See photo at end of docum.)

Dc between 2 dcs

1. Green arrows point to space between 2 dcs. That is where you insert your hook.
2. Red arrows point to dcs worked into sts of the row before last row (just for comparison)
