

STITCH SAMPLER SHAWL

SLIPPED STITCHES:

This month's stitches are slipped stitches, done in up to 4 colors. I used 3 solid colors and 1 variegated to get spectacular results!

Color A: Light to medium color

Color B: Variegated

Color C: Dark

Color D: Dark

When doing these slipped stitches, always slip the yarn to the wrong side of the fabric.

On the right side slip with yarn in back (Slwyib) and when working the wrong side, slip with yarn in front (Slwyif)

Continue to do your border stitches at the beginning and end of each row so that your scarf or shawl will lie flat and not curl.

SET UP:

Continue from the last two Garter Rows above the Stepping Stones section.
